You have a brand new computer or notebook, but still want to read your old Floppy Disks. The EW7004 Floppy Disk Drive solves your problem. It's easy to connect as any other USB device, and needs no extra power supply. No more obstacles to extend your computer with this Disk Drive for 3.5 Floppy Disks. With its ultra flat design, the EW7004 is perfect to use while traveling with your note book, but its mat black finish makes it also look perfect on your desk. Of course, we ship the EW7004 with the USB cable you need to connect it to your computer.
